- I am writing in appreciation of two generous awards ... for my participation in the 2024 Kiwanis Music Festival of London. I am incredibly grateful to be the recipient for these prizes. After participating in last year's Kiwanis Music Festival, I experienced unexpected and immense vocal development; within a year, from winning a 3rd place at the OMFA provincials, to completing my level 8 vocal exam in June 2023 with a standing of First Class Honours with Distinction, to studying ARCT voice, to competing in the (class) and placing (placement) in this year's festival. In my life, music serves as stress-relief and a creative outlet. I recently competed against the nation's young scientists in the Canada-Wide Science Fair and won a Senior Silver Excellence Medal and

special award. I also received a 2nd place award in this year's national HOSA-Future Health Professionals Conference in a medical trivia event against over 35 other teams and will be competing to represent Canada at HOSA International Leadership Conference in late June 2024. This year's scholarship award will serve as a reminder to continue my hard work and to fuel my passion as I move on to university, where I will pursue a Bachelor of (name of degree program) with a minor in music (name of program). Your support not only will enable my future goals as a woman in STEM, but will provide me with a persistent reminder of my passion for vocal music.
