- I am writing in appreciation of the generous trophy for the 2024 Kiwanis Music Festival of London. I am incredibly honoured and thankful to be the back-to-back recipient for this prestigious award. After participation in last year's Kiwanis Music Festival, I have experienced unexpected and immense development in my musical performance skills. In my life, music serves as a stress-relief and a creative outlet. I will be participating in the Canada-wide Science Fair later this year. If not for my trophy award last year, I would not be where I am now. This year's trophy will serve as a reminder to continue my hard work and to fuel my passion as I move on to University, where I will pursue a Bachelor of Science degree with a minor in Music Performance. Your support not only will enable my future goals as a woman in STEM, but will provide me with a persistent reminder of my passion for music. Thank you again for your support of musicians like me.

- Thank you for your generous donation towards our award at the Kiwanis Music Festival. It is the first time our school has participated, and we had a fantastic experience. It was exciting to win gold, and we were so surprised that it came with a gift to our program. The Festival gave my students an opportunity to watch other students perform, something we rarely get to do and provides such excellent personal reflection on our learning. Thank you so much for supporting Music Education. (hand made card)

- Thank you so much for your recognition of (our school) in the Festival this year. We genuinely appreciate the award that was presented to us this year. We will be able to use the money to continue to support our students' musical endeavours. Your ongoing support of musical excellence in London and area is such a vital part of the arts community. You provide amazing opportunities for our students and their quality of education is enriched by the ongoing financial support of your donors. (Name of school) enters many classes in the Festival each year because we believe in the importance of arts in the community. It teaches our students not only about diligence and hard work, but also sharpens their talents in the arts and helps to form them into lifelong learners. On behalf of the students and staff at (name of school), we thank you. Congratulations on another successful year and we look forward greatly to entering next year's Kiwanis Music Festival.
- I wanted to take the time to thank you for creating the (name of award) scholarship in piano. I was lucky enough to receive this prize this year after my successful participation in the London Kiwanis Festival. I was able to use this to further enhance my love of music. I am proud to say that I was asked to represent London at the Provincial Level in June for Grade 8 piano. It was an amazing experience that I will never forget. Thanks again for your support of music students like me. I really appreciate it.
